## TOLLINTON FUND – APPLICATION FOR SUPPORT

The purpose of the Tollinton Fund is to encourage and support performances of music at the ARC by professional musicians through assistance with the costs of mounting such events (fees, hire, travel, publicity and other reasonable expenses necessarily incurred in promoting such performances), thereby contributing to the work of St. John's Arts and Recreation Association in providing access to musical events of the highest standard. The Fund provides support in one of three ways:

- a) Through payments to emerging professional musicians or ensembles in order to supplement monies collected either through a retiring collection or through ticket sales. The performer should be aged under 30 or the ensemble established within the last three years on the date of the performance.
- b) By subsidising workshops for young people aimed at stimulating their creation and enjoyment of music. The young people must be aged under 30 on the date of the workshop and the payment will be made to the professional musician who acts as workshop leader.
- c) By subsidising concerts for young people aimed at increasing their understanding and enjoyment of music. The young people must be aged under 30 on the date of the performance and the payment will be made to the professional musician who acts as leader.

The Tollinton Fund is a discretionary fund and qualifying musicians must apply for assistance before the event for which support is required. Please complete the form below and return it to the ARC Office.
